The Kiski School is one of America's oldest boys boarding schools, located in the foothills of the Laurel Mountains, 30 miles east of Pittsburgh. Every Kiski boy gains an appreciation of academic excellence, the importance of personal integrity, community responsibility, and develops a capacity to take risks, while building self-confidence. Kiski is renowned for leadership in boys education, small classes, competitive athletics, an extraordinary faculty and top-notch facilities.

COVID-19 UPDATE

COVID-19 update: Due to the pandemic, Kiski closed the campus and offered remote classes for students from March-May of 2020. For the 2020-2021 school year, the School has introduced the "One Kiski" program, which allows students to attend classes on campus or to learn remotely through synchronous classes. Approximately 78% of our student body began the 2020-2021 school year on campus.

ATHLETICS

Sports are a big part of life at The Kiski School. Every season, every boy participates in at least one sport. They get to play and train in top-notch facilities, like our 75,000 sq. ft. Ross Athletic Center. We also have one of the finest high school tracks in the country, a nine-hole golf course, miles of beautiful cross-country trails, and an excellent baseball facility. Kiski offers 23 athletic teams with over 300 contests. Every level of athlete has an opportunity to grow, compete, and try something new. Big benefits come from participating in Kiski athletics. The Kiski School proudly produces Division I, II, and III athletes across all sports. On average, 30% of our graduates go on to play sports at the college level. Our athletics program is just one more way that The Kiski School helps boys set and reach higher goals for themselves.
