CHAMINADE COLLEGE PREPARATORY SCHOOL

Preparing young men for an ever-changing world.

Experts at **TEACHING BOYS**

“Boys do not care what you know until they know you care” is the foundation of our educational philosophy at Chaminade.

- We realize how important it is to maintain a comfortable, understanding environment for young men.
- We consider it a great privilege to educate the gentlemen of Chaminade and we are uniquely organized to educate them.
- An overall emphasis is placed on developing real life, executive functioning skills such as: how to plan, how to organize, how to study and how to manage one’s day-to-day tasks.

CHARACTER & FAITH

Faith Lies at the Core of Our Mission

The strength of a man’s character comes from the integrity of his foundation. Ours is built on faith.

- As a Catholic, Marianist school we welcome young men of all faiths and backgrounds.
- All students enroll in Theology class, attend Mass and retreats, and participate in service work.
- Gathering as a community and giving students time for reflection is an essential part of spiritual life.
- Our goal is to help students develop their own sense of integrity.
- We want our students to listen to that ‘small voice’ within them and have the openness to grow.

We prepare students to learn, lead and serve in our diverse and ever-changing world.

Whether your journey begins with us in middle school or high school, you will never forget your time spent at Chaminade. You will be challenged in the classroom, surrounded by teachers who care, and grow to embrace new perspectives and expand your possibilities. When you graduate, you will be ready to meet the demands of college and an ever-changing world.

Graduate ahead of the pack!

The academic road you embark on at Chaminade will be challenging. You will spend countless hours reading, writing (and rewriting), studying, thinking, collaborating, conversing and creating. You will see your hard work pay off when you leave Chaminade with the ability to comprehend difficult material, grasp new concepts, connect with peers and teachers all while maintaining a school/life balance.

Our Motto ‘Esto Vir’ is translated from Latin and means “Be a Man”.

It reminds us that the purpose of a Marianist Education is to identify and develop the full range of gifts and talents that God has placed in each person. Although achieving high academic standards and test scores is important, the focus is on developing our students to become the men the world needs them to be.

OUR MISSION

Chaminade College Preparatory School, an independent, Catholic Day and Resident school, sponsored by the Marianist Province of the United States, is dedicated to developing the inherent spiritual, intellectual, emotional, and physical potential of young men in Sixth through Twelfth Grade so they are prepared for success in college and life and ultimately become the men the world needs them to be.

ENDLESS OPPORTUNITIES

We believe education should celebrate the creative, physical and spiritual side as much as the intellectual.

Chaminade has 18 different athletic programs with over 70 teams from football to eSports. Every season, nearly all teams are no-cut, which allows students to get involved.

With over 40 clubs and activities, from Fishing, to Peace and Justice, Chess, or BBQ Club, there is something for everyone!

Our award-winning band program features many different ensembles including: symphonic bands, jazz combos, wind ensembles, percussion and pep bands.

The Drama Department offers 4 main stage productions a year. Students can also learn the craft of lighting, sound, scenery, production design, costume design as well as stage management.

In the Visual Arts Department, students explore their creative side in a variety of different mediums including painting, drawing, sculpting, sketching, and photography.

Our unique **House System** promotes leadership, friendly competition, and family spirit across all grade levels.
