

2025

HPA has something for everyone during the summer!

Summer at HPA is open to all and offers a great introduction to the K-12 HPA experience. Students come from Hawai'i Island and around the world to expand their academic potential and discover learning adventures within our extraordinary ecosystems, landscapes, and culture. Our Ka Makani Keiki Camp is for our youngest students, while the Summer Academies are designed for middle and high school students interested in pursuing their passion
