

VES Fast Facts

Our Community

265

VES is intentionally small with students in grades 9-12 from the U.S. and around the globe.

70/30

We are co-ed with both boarding (70%) and day students (30%).

82%

A significant number of our faculty live on campus. This creates great opportunities to get to know each other well.

24503

VES sits at the foothills of the Blue Ridge Mountains in the thriving city of Lynchburg, Virginia.

Academics

12

Our average class size ensures you have the opportunity to dive into every conversation.

6:1

Our student-faculty ratio allows every student to be known well and form meaningful relationships with teachers.

27

AP and honors courses, plus our Advanced Studies Program, are available across the curriculum to stretch your mind.

15

Our campus is a meeting place for diverse perspectives and global cultures representing 15 countries where students learn from and respect each other.

Arts

7

Performing arts groups you can join—from theater to instrumental to vocal ensembles

350

Seats in our theater, where we host student performances, outside speakers, and world-renowned artists

15

Spaces to study, create, and perform—including art galleries, our professional recording studio, dedicated practice rooms, computer labs, and a scene shop

Infinite

Opportunities to share your artistic talents with your peers

Athletics

35

Teams from Deacon to Varsity across 15 sports

Go Bishops!

We wear our school colors—garnet and white—with pride.

15%

Of student-athletes, on average, in each class over the past five years signed to play sports at the collegiate level

15

Playing fields and tennis, basketball, and volleyball courts
