

How will you become your best?

St. Margaret's School provides a learning environment where girls know they belong, are challenged and supported to believe in themselves, and are prepared to become their best. We provide an outstanding college-preparatory education for girls in grades 8–12 and a postgraduate year with day, boarding, and five-day boarding programs.

Belong to a supportive community.

We believe in the power of all girls. Whether she comes from across the world or down the street, each girl is welcome and at home among our global community of lifelong friends. Here, a girl will develop honor and character along with academic and life skills to help her become an independent, creative, and morally courageous woman prepared to make a positive impact on the world.

Believe in your ability to achieve.

We know how to educate girls. Our class sizes are small, so students receive individual attention, and the curriculum is readiness-based to support and build each girl's level of skill and ability. Outstanding students have a range of opportunities for advanced study in Honors and Advanced Placement classes, independent study, and dual enrollment in college classes.

Become part of a global sisterhood.

We are a diverse, multicultural community with 30% of our students coming from 14 countries. St. Margaret's offers one of the oldest international programs among American boarding schools, where students find the culture of achievement they are seeking, including extensive ESL support.

We are guided by our Honor Code and Episcopal traditions

that promote love, respect, and the dignity of all people. Qualified students of any race, color, religious affiliation, national or ethnic origin are welcome to apply and join our vibrant campus life.

Become part of something wonderful.

Life at St. Margaret's is active on and off campus. Shopping, eating out, attending socials, and cultural events are part of the SMS experience, and much more.

Athletics Activities: We have 11 varsity and junior varsity teams and many physical fitness activities, including outdoor adventures, tennis, tabata, and yoga. Plus, we have a private beach, pool, kayaks, canoes, sailboats, paddle boards, and lots of other ways to enjoy our beautiful riverfront campus.

Visual and Performing Arts: Girls explore their creativity, expand their thinking, and express their personalities through 26 Performing and Visual Arts course. Music, voice, drama, drawing, painting, fashion design, and more are artistic expressions to pursue through our curriculum, clubs, and after-school activities.

Wheat Center for Innovative Learning: The Wheat Center offers tutoring, skill-building, and academic support, and oversees our innovative postgraduate program, THRIVE, a unique year of study, internship, and travel.

River Program: Spanning the curriculum and residential life, our innovative River Program engages girls in hands-on science, outdoor adventures, and volunteer service.

Minimester and Independent Study: Students take enrichment courses or go on educational trips during a two-week winter term, while seniors conduct research or intern in a field of potential career interest.

Leadership: Social responsibility is promoted here and inspires students to serve as Chapel leaders, on our Honor Council, in Student Government, and to volunteer in our local community and around the world.

2018–19 Tuition: \$49,900 Boarding, \$39,900 Five-Day, \$18,400 Day. St. Margaret's offers need-based financial aid.

We believe you belong here.

Our 10-acre riverfront campus with its 42-acre athletic complex in Tappahannock, Virginia, is centrally located in a small, safe town with lots of charm. St. Margaret's is within 1–2 hours of Washington, DC, Fredericksburg, Richmond, Charlottesville, Williamsburg, and Virginia Beach.
